# The ValueJet 2638

Smart Printing Equals Value

Eco-Solvent Printer

Mutoh's ValueJet 2638 – 104" grand format printer has a staggered dual-head design that creates super wide images with unmatched quality. With print speeds of 1,168sf/hr and print widths that are over eight feet wide, the VJ2638 not only saves you time and money but is also capable of producing high quality, super wide images for a number of popular applications. And with Mutoh's Smart Printing technology like; Intelligent Interweave (i^2) print technique that virtually eliminates banding, ColorVerify process control systems, ValuJet Status Monitor (VSM) for remote printer monitoring from your smart phone and an optional on-printer SpectroVue VM-10 spectrophotometer, the VJ2638 is the best choice for today's production minded print professional.
