

MUTOH

The RJ-900X

Aqueous Printer

Compact, Affordable, Versatile

The Mutoh 42" RJ-900X is ideal for everyday printing. Whether you are printing banners, posters, trade show graphics or line drawings, the RJ-900X delivers superior line sharpness and photo quality images with continuous tones, smooth transitions and a wide color gamut. With various print resolutions available for different applications, and the ability to support a variety of ink sets, the RJ-900X is an ideal printer for shops looking to compete in the graphics and CAD markets.
